

BEE'S KNEES PROVISIONS

215 SMITH ST, BROOKLYN, NY, 11201, 718-971-1197

The bee's knees - an old phrase used to describe something outstandingly good, excellent or very high quality. Bee's Knees Provisions bring you exceptional food, drink and experiences, whether you stay and enjoy them in our pretty wine tavern or take them to-go. We have created a unique space with a wine tavern at the back and cheese and provisions store at the front. Come and lounge in the modern style bar and backyard, where we serve a great range of cheese boards and cheese specials such as fondue and raclette, and lite bites including oysters. Pair with a wide selection of wine and craft beer. You can also 'buy the menu' with most cheese and beer options available for purchase in the provisions store at front, alongside curated goods and hyper-local City League barista coffee.

Bee's Knees Provisions brings the vision of Brooklyn local Taj Singh to life (owner of the popular craft cocktail bar and restaurant, The Castello Plan in Ditmas Park). He wanted to bring his love of cheese, great beers and wines to the neighborhood but with an elevated experience. He gut renovated the space with hand-picked concepts, aesthetics and design to create a curated provisions store and modern hotel-lobby-like feel bar. The beers are broad-ranging and include a wide selection of Brooklyn-brewed favorites, with a varied wine list and trained staff on hand to help explain the cheese offerings to suit everyone's palate.

We are excited to welcome you all and host our new neighbors! Follow us on Instagram @beeskneesprovisions for updates and visit www.beeskneesprovisions.com for more info.
